

The Power to Surprise

The New
CARENS

The New **CARENS**

Who said that a multi-purpose family vehicle has to sacrifice style and excitement in order to deliver the space and practicality needed for today's hectic lifestyles?

With thoroughly contemporary and distinctive European styling, coupled with maximum versatility and cutting-edge safety and convenience features, the new Carens is ready to shake up the compact MPV segment. It's a truly innovative family car created with the demands of modern living in mind while also adding a dash of spice to your life.

practicality & fun
FAMILY

You work hard for a brighter future, so you deserve a vehicle that allows you to enjoy precious moments with family. The new Carens will help you discover those gratifying times of leisure that are often lost amidst the burgeoning cityscape. Let the new Carens be a part of family memories that will last a lifetime.

Cool and chic in the city

Sporty, stylish and sophisticated. These are words not usually associated with an MPV. But the new Carens brings a whole new level of design to the segment, and feels right at home whether parked in your driveway or in the trendiest part of town.

A multitalented player

Versatility is the hallmark of a class-leading MPV, and the new Carens is at the head of the pack with voluminous space, flexible seating configurations and clever storage compartments that belie a car so strikingly handsome.

King of the concrete jungle

Need an occasional break from the hustle and bustle of city life? Lose yourself in the elegant refinement and state-of-the-art technologies the new Carens has to offer. Your daily work commute, trip to the market or movie night out with the kids can now be made in ultimate comfort and style.

flexibility & advanced technology

SPACE

Kia's engineers not only have succeeded in creating an interior cabin that boasts expansive roominess but they have ingeniously thought out the use of space down to the very last detail. Designed to facilitate active family lifestyles, you'll soon discover why the new Carens is much more than just an MPV.

Panoramic sunroof

Seldom found in competing vehicles, the new Carens has an optional powered panoramic sunroof spanning the entire roof surface that lets both natural light and fresh air flood into the cabin while adding to the 'cool urban' look of the exterior.

Because you're the one in control

An ergonomically designed cockpit puts priority on driver comfort and intuitive, fingertip operation of the new Carens' numerous high-tech features, while the low positioning of the windscreen base and wide, sweeping dashboard design ensure excellent visibility of the road ahead.

4.3" TFT LCD touch screen audio

A high-fidelity 6-speaker audio system featuring radio, CD and MP3 playback can be conveniently controlled using the large, high visibility touch screen display.

A showcase of cutting-edge technology

Step inside and discover a world of high-tech driver convenience features rarely seen in same-segment vehicles. With intuitively laid out controls and a host of logically displayed, up-to-the-minute driving information, the new Carens raises the bar with an all-new level of sporty sophistication.

Steering wheel remote control

Conveniently positioned buttons and switches give you full reign over audio, Bluetooth hands-free and auto cruise control functions.

Heated steering wheel

A heating device located on the inside of the steering wheel rapidly warms your hands on frigid winter days.

Paddle shifters

Sequential manual shifts can be made with the simple flick of a finger for a sporty and engaging drive.

4.3" TFT LCD trip computer

A high visibility screen centrally positioned between the supervision cluster gauges displays essential vehicle information such as individual door-open alerts service reminder, while also offering user-customizable menus.

Aux, iPod®, USB connections

Connectivity to virtually any portable music storage device means that you can enjoy your entire digital music collection while on the road.

Auto light control

Enjoy fingertip operation of the headlamps, high beam, front and rear fog lamps and turn signal, while the auto function means you no longer need to worry about forgetting to turn your headlamps on or off.

Dual-zone full auto climate control

Separate temperatures can be set according to driver and front-seat passenger preferences, while the clean air system generates cluster ions to purify and deodorize the cabin air. And as an added touch of convenience, the auto defogging system detects when condensation is formed on the inside of the windshield and automatically defogs the glass for optimal visibility.

7 seater

Interior color schemes

Accompanying the fine quality upholstery and ample use of soft-touch materials throughout the cabin are stylish interior color options that are an expression of your contemporary yet practical lifestyle.

Black & Beige Presenting the ultimate in understated contrast, the black and beige color scheme exudes a subtle sense of high-fashion for any occasion.

Black Both traditional and strikingly modern at the same time, the all-black color scheme is sure to never go out of style.

A haven of roominess and comfort

Available in a choice of 5 or 7 seat versions, the new Carens boasts an imaginative interior layout - including 60:40 split folding 2nd row seats - to deliver versatile seating configurations and ample cargo space ideal for people who are always on the go.

5 seater

Whether transporting materials for a DIY project or taking work home, configuring your vehicle's seats has never been so easy, nor so flexible.

Smart space for the CITY

For me
1st row partial and
2nd & 3rd row full folding

For my spouse
2nd and 3rd row full folding

Smart space for the OUTDOORS

Live life to the fullest thanks to a level of cargo and passenger seating versatility that will push the limits of your imagination.

For the family
2nd row partial and
3rd row full folding

For the kids
Seating for 7 people

Sit back, relax and enjoy the ride

The seats found in the new Carens have been engineered not only for maximum versatility but also for the ultimate in ride comfort. Innovative technologies applied to the driver and passenger seats make even the longest journeys seem like a quick trip around the corner.

Electric powered lumbar support The back cushion of the driver's seat features additional support at the touch of a button to ensure maximum comfort and minimal fatigue on extended trips.

Passenger seatback folding The back cushion of the front passenger seat can be conveniently folded forward to create additional space for extra-long items.

Sporty bucket seats

The driver and 1st row passenger seats feature a sporty yet functional design that provides ample lumbar and thigh support while accentuating the modern feel of the cockpit.

Ventilated seats

Cool air is channeled and discharged through the both driver and front passenger seats via inner-mounted air ducts to prevent perspiration in hot weather.

Seat warmers

You and your front seat passenger can stay warm and cozy on frigid winter days thanks to 3-step heated seats that rapidly activate at the touch of a button.

Electric seat cushion extension

Especially welcomed by long-legged drivers, the bottom cushion of the driver's seat can be extended forward for optimal driving comfort.

10-way power driver's seat

Electronically adjust your seat with conveniently placed controls to easily find the most ideal driving position.

2nd row sliding and 60:40 split folding

The 2nd row seats offer full-flat folding for maximum cargo hauling versatility while the 7 seat version adds a forward and backward sliding function for maximum passenger comfort.

Premium quality upholstery

Careful attention was paid to the selection of materials used in the new Carens' seats. Choose from top-grade, supple leather, woven cloth fabric or knit cloth fabric that add to the high-class feel of the cabin.

confident & efficient

PERFORMANCE

On the road is where the new Carens' technological prowess truly shines through. Pushing the limits of what you've come to expect from a compact MPV are a host of advanced engineering feats that put the new Carens at the head of the pack when it comes to safety, drivability and eco-friendliness.

DRIVE
WISE

Uncompromised safety for peace of mind

The wellbeing of you and your family is the number one priority for Kia, and the new Carens takes occupant protection to a whole new level by introducing innovative technologies rarely seen in the compact MPV segment. Our engineers have conducted countless computer simulations and actual crash tests so that your sole focus can be on enjoying the drive.

ESC (Electronic Stability Control)

ESC is an active safety feature that provides optimized braking and engine torque control by monitoring individual wheel speed, steering angle and skidding.

Front and rear parking sensors

Lower trim models can be ordered with sensors at both the front and rear that alert you to obstructions while parking via an audible signal that increases in intensity as your vehicle gets closer to an object.

HAC (Hill-start assist control)

By maintaining brake grip until you press the accelerator, HAC prevents the vehicle from dangerously rolling backwards when pulling away from a standstill on an incline.

6 airbag system

Driver, passenger, front side and curtain airbags help minimize the risk of serious injury as the final line of defense in the event of a collision.

* The actual air bags in the vehicle may differ from the illustration.

Blind Spot Detection (BSD)

State-of-the-art sensors monitor your side and rear to keep you aware of vehicles entering into your blind spots. You'll receive visual alerts on the new Carens outside mirrors and, if necessary, you'll hear an audio alert.

Active ECO System

A standard feature with the 6-speed automatic transmission, the Active ECO System automatically optimizes the engine and transmission control systems to reduce fuel consumption.

Gamma 1.6 GDI Engine
134ps / 16.6kg·m

A lightweight aluminum block, dual CVVT (continuously variable valve timing) and maintenance-free roller-type timing chain ensure that this direct injection engine delivers an ideal mix of power and efficiency.

Nu 2.0 MPI Engine
152ps / 19.8kg·m

Featuring all-aluminum bed plate construction for improved durability and reduced noise and vibration, along with dual CVVT for improved efficiency and performance, this multi-point injection engine is the choice for those who demand maximum power.

U2 1.7 Diesel Engine
High_141ps / 34.7kg·m

Available in low and high output versions, these technologically advanced variable geometry turbocharged engines deliver a clean, quiet and highly fuel-efficient drive while maximizing torque and power.

Frugal on fuel, generous on performance

Kia's latest powertrain innovations are optimized for true driving pleasure. Choose from one diesel and two petrol engines engineered with state-of-the-art fuel sipping and CO2 cutting technologies that don't sacrifice on power or performance.

7-Speed DCT (Double-Clutch Transmission)

A new concept of transmission equipped with the cutting-edge DCT technology that offers the best of both worlds in terms of dynamic shift of speed and cost-savings through superior fuel efficiency, assuring you with a fully satisfying driving experience all around.

6-speed auto transmission

This independently developed gearbox features a lightweight, compact design that offers improved shift quality and durability while also boosting fuel economy and acceleration.

6-speed manual transmission

This completely new gearbox features a trigger-type 'R' gear release button for effortless operation while short shift strokes promote faster and more accurate shifting.

Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

A perfect fit for your lifestyle

Whether at work or at play, the new Carens is the ideal companion for getting the most out of your daily life. Never before has a compact MPV offered so much versatility, comfort and convenience – all wrapped up in a thoroughly modern and stylish package.

Every creature comfort imaginable

We believe that the true measure of a groundbreaking car can be found in the details. And we're sure you'll be pleased to discover the numerous delightful surprises to found in every nook and cranny of the new Carens.

Spacious cargo room A walk-in sliding function on the outer 2nd row seats enable occupants to easily access the 3rd row seats with a light touch of a lever, while the luggage flat configuration for the 2nd and 3rd row seats provides expansive space for hauling all types of cargo.

Fold-up tray The backs of both driver and front passenger seats are fitted with convenient trays that feature an additional cup holder for extra convenience of the 2nd row seat occupants.

Cargo under storage compartment A spacious compartment located under the floor at the rear of the vehicle is the perfect place to store away emergency safety and cleaning supplies.

Cooled glove box The large 8L glove box has a cooling function that comes in handy when storing perishable items or cold drinks, especially on long journeys.

Center console Two drinks can be securely stored within easy reach while a center fascia undertray and large storage compartment under the center armrest provide plenty of space for storing personal items.

Cargo security screen Create a separate partitioned-off space at the rear of the vehicle to stow away any personally belongings that you want to hide from prying eyes.

Cargo net A handy cargo net can be fastened using convenient hooks to prevent items such as sporting equipment from rolling around.

2nd row sun blind The manually retractable sunshades for the 2nd row windows provide protection from harsh sun glare and help to keep the cabin cool.

EPB (electronic parking brake) Engage the parking brake simply by pressing a button and take all of the guesswork out of knowing whether it's properly engaged or not.

Portable flashlight When mounted on the wall socket, this handy detachable flashlight automatically recharges while also serving as an interior lamp for the cargo area.

Rear air ventilation Back seat passengers can also enjoy warm or cool air circulation thanks to rear air vents positioned at the back of the center console.

Opposed-type wiper system Unlike conventional wiper systems, the wiper blades are mounted on opposite sides of the windshield and move in the opposite direction for maximum visibility even in heavy rain and snow.

ECM mirror Distracting headlamps behind you are a thing of the past thanks to the auto-dimming, wide-angle electric chromatic mirror.

Rain sensor The windshield wipers are automatically activated as soon as moisture is detected for greater convenience and visibility.

Auto defogging system A sensor automatically initiates a defogging process when condensation is detected on the windows to ensuring optimal visibility in humid climates.

Rear spoiler / High-mounted stop lamp Standard on all models, the rear spoiler adds a sporty touch to the exterior design while a high-positioned stop lamp ensures that you are clearly visible to drivers behind.

Outside door handle Body color grip-type handles come as standard, but for a more classic look you can also choose chrome-finished handles as an option.

Fog lamps The fog lamps are stylishly integrated with the air intake holes of the front bumper using black housing to accentuate the car's athletic stance.

Side mirror Wing-type electric folding two-tone side mirrors feature LED turn signal lamps and puddle lamps for added safety and convenience.

Remote keyless entry system The smart key unlocks the doors as soon as you touch the door handle so that you never have to worry about fumbling around for keys.

BODY COLORS

Choose from eight stylish yet timeless exterior colors that truly show off the new Carens' striking design cues.

Clear White (1D)

Bright Silver (3D)

Camden Beige (K3Y)

Galaxy Brown (K7N)

Inferno Red (AJR)

Mysterious Blue (AAP)

Titanium Silver (1M)

Cherry Black (9H)

WHEELS

A choice of four newly-designed wheels gives the new Carens maximum curb appeal.

205/55R 16" Steel Wheel

205/55R 16" Alloy Wheel

225/45R 17" Alloy Wheel

225/45R 18" Alloy Wheel

* Not available in Gamma 1.6 GDI engine

Vehicles in harmony with nature **ECO dynamics**

Whether you love getting out into the great outdoors or simply enjoy living in a more sustainable balance with the ecosystem, you have found a soul mate in Kia Motors.

Environmental preservation and social responsibility are top priorities at Kia, and we back up our commitment with tangible action. Our EcoDynamics sub-brand, established in 2009, designates the most eco-friendly cars within each Kia model range that showcase our new fuel-stretching and emission-cutting technologies such as hybrid, electric and hydrogen fuel cell powertrains.

We are also building a clean global production system, raising the resource

recovery rate, and designing vehicles with the disposal phase in mind. Meanwhile, we are adopting more and more environmentally friendly materials in our cars, selected for their composition, biodegradability and bio-inspired technology. For example, to reduce our carbon footprint, we are replacing oil-based materials with plant-based materials wherever possible.

As you can see, we at Kia Motors are committed to finding fundamental solutions to cut energy consumption and combat climate change. If you feel the same way about preserving the environment and ensuring a brighter future for the younger generation, then we have just the vehicle for you.

The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Mohave, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com) - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced in 10 manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers covering around 180 countries. Kia today has over 50,000 employees worldwide and annual revenues of over US\$44 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan - "The Power to Surprise" - represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.
